

Strategy Retainers & Projects

Strategy Retainers are a good for clients that have a content creation team in place, but need help with content marketing strategy and promotion efforts.

Scope Examples:

- Content Harmony team helps build content marketing & SEO strategy, and gameplans to support content team's growth.
- Ongoing consulting & strategy development.
- Team coaching, training, and process documentation.

Pricing Examples:

- Typical strategy retainer scopes are \$5k per month for 30 hours, or \$10k per month for 60 hours. Those aren't arbitrary numbers they represent about 25 and 50% of a given strategist's time each month, respectively.
- Strategy projects (1-3 months) are typically 50-200 hours in scope and are custom quoted.
